Principal's Report

Welcome to Term 2! It's incredible to think that we're already a quarter of the way through the school year with Term 1 done and dusted. Students have returned after the Easter Break full of enthusiasm. Wishing Maggie a belated happy birthday for 3 April (Easter Saturday).

Thank you to Di Plum for once again organising the annual Easter Egg Raffle. First prize went to Yvonne and Johnny Waters, 2nd Shelly Charles, 3rd Scarlet Crossley, 4th Kim Lewis, 5th Alison Crossley, and 6th Verity Auldist.

I would also like to commend Lily and Dusty Plum, with Eli and Scarlett Crossley who did a terrific job representing the school at the Booligal ANZAC Day service during the holidays.

Congratulations to Lily, Maggie, Dusty and Jagger who competed in the Zone Carnival for swimming. Special mention to Dusty with another personal best in 50m freestyle with an amazing time of 41.03seconds. Dusty was just 0.02 seconds away from a State Swim!!

Whilst continuing with tennis, music, yoga, kitchen garden, and Super Friday activities, term 2 is always busy

with sporting events and learning opportunities. Last week we had another session with Murrumbidgee Landcare and we have Fleur Cullenward booked in for our Writing sessions. This is linked in with our new Native Garden.

Last Friday we enjoyed Robotics workshops with Ms Kempton as part of our Super Friday. The workshops focus on teamwork, problem solving, perseverance, reading and comprehending instructions, engineering skills and technology skills.

Week 5 is Scholastic Bookfair. Maggie and Lily have a writing workshop in Moulamein on Tuesday and we have Cross Country at Bushy Bend on Thursday. Week 6 the students will be joining SOTA on Tuesday at the Hay Oval for a Rugby Union workshop. Wednesday we have the Enviromentors incursion and Thursday the District Cross Country. I'm exhausted just writing it all! Thank you to our parents who spend many hours and kilometres travelling to make sure the students never miss out.

ANZAC Day
 Many attended the annual ANZAC day service in Booligal during the holidays. Special thanks to the organisers. BPS was represented by Lily and Dusty

Scarlett & Eli Crossley

Congratulations to our Booligal P&C and dedicated community volunteers who last term donated their time and ingredients to co-ordinate, prepare, and serve the meals for a day of the ICPA annual conference. There was a continuous flow of positive feedback and compliments.

Some of our generous volunteers. P&C President Rachel Crossley with Di Plum, Abby Shields, Sharon Bunyan and Alison Crossley.

Another wonderful and creative day with Deb Donahue form Deborah D Art

Native Garden Jade Auldist from Landcare visited us again in week 2 with Bill Auldist form LLS . We had another great day continuing in the development of our Native Garden. We discussed Australian Native Plants, and participated in seed collection, cleaning and propagation.

Kitchen Garden

Stage I—Scarlett, Eli, Hannah and Paddy about to tuck into their pizza creations.

A good rain would be most welcome by our families and our garden! The students garden beds are still producing some summer produce and the winter crops are looking good. We were very excited to be picking apples and strawberries for snacks during the day and we are still getting tomatoes and eggplants.

Maggie, Paddy and Jagger Shields enjoying a well prepared meal with Lily and Dusty Plum and Bella Maloney.

Healthy Harold

Alongside Life Education, Healthy Harold has been visiting schools for 40 years. The lovable giraffe delivers a fun and interactive session that promotes an active, healthy lifestyle.

Stage I getting some great tips from Healthy Harold!
